CA-Estate Dispute
T-Property

To the Honorable judge of the County Court of Lee County, in Chancery now sitting: -

The bill of complaint, of William T. Henderson, Harkins Campbell, and Sarah Campbell, respectfully represent, that, one Gray. S. Henderson, ~~de~~ departed this life, on the day of 186 at the date of his death, he owned, a considerable, real & personal estate - & at a time previous to his death, however, he made and, published his last, will and testament, a copy of which is herewith filed marked A. By an inspection of which, it will be seen that among the bequests made there was several, depending upon contingencies - some of which, have been since defeated - as will more fully appear by exhibits hereafter referred to - The last clause of said will nominated, and appointed Fictilla Bales the sole executor, of said will. This will was at the term of the Court of Lee County duly filed to record, and the said Bales also qualified as executor, and entered upon his duties, as such and continued to perform the same - till about the day of 186, he resigned his said office, and one Edw. Bishop, was appointed, and qualified as administrator with the will annexed and now exercises the duties of said office - Copies, of the said orders, appointing and qualifying the said admr. & Executor, will in due time be filed with this bill marked B & C. The said Bishop in pursuance of his duties as admr. as aforesaid, found it difficult, to perform the same since, a difference of opinion existed among

the heirs and distributives of said estate, and different constructions placed upon the said will. - He therefore in the year 1868, exhibited, his bill in the circuit court of this County, praying the said Court to propound, the said will, and aid him in its construction. - This cause came on to be heard at the April Term 1869, when the following decree was entered therein: - "This cause came on this 30th day of April 1869, to be heard upon the bill of the plaintiff, the answer of Thomas Kestner Archelus Kestner, Martha Kestner Gornett Kestner Clinton Kestner & Mel Kestner Cordelia Laugham Elizabeth Laugham, John & Laugham and Martha J. Laugham infants by Henry J. Morgan their guardian ad litem, the exhibits filed and was argued by counsel and it appearing to the Court &c: -

Upon consideration whereof the Court is of opinion & doth accordingly is adjudge order & decree: That the plaintiff out of the assets of his testator in his hands to be administered pay -

- 1st The debts of the testator & the funeral expenses -
- 2^d The specific legacy of five dollars to Stokely R. Lanham, The specific legacy of five hundred dollars to Cordwell, eldest son of Elvina Cordwell of Claiborne County Tennessee & the specific legacy, to Agina, the wife of the testator of one thousand dollars & all the household & kitchen furniture of the testator, the court being of opinion that this legacy to the said Agina, is absolute & not forfeited by her subsequent marriage. - But any money or property, paid or delivered, by the plff to the said Agina, shall be applied to the

to the satisfaction, pro tanto of the said legacy of \$1000. And it appearing that the defendant Agina has intermarried with the defendant Stephen R. Thompson, and thereby forfeited her rights as residuary legatee it is ordered 3^d That the plaintiff's apply the residuum of the estate of his testator in his hands after paying debts, specific legacies, the expenses of administration as follows viz one half to Cordwell, the eldest son of, Elvina Cordwell of Claiborne County Tennessee & the other half, to the brothers & sisters of the testator, to be equally distributed & if Stokely R. Lanham was living, at the time of the marriage of the defendant Agina, to the defendant Stephen, R. Thompson, then neither the said Stokely R. Lanham, nor his wife, nor any person claiming under them, shall have any part of the said residuum, but if the said Stokely R. Lanham was dead at the time of the said marriage of the defendant, Agina & Stephen R. Thompson as heretofore, Lanham, the wife of the said Stokely R. Lanham & sister of the said testator, is to have an equal part &c. - Thus as far as the rights of the parties, one concerned, as distributives, the same is settled by said decree, and it is plainly set out, what share each is entitled to. - A copy of said decree, will be found with bill marked "D" and is paid to be considered, here with. - The determination of the said suit, was looked to by your complainants, as the time, when the said adms. would, settle windup, and pay out to those entitled under said decree, their respective shares of said estate. - But they have been deceived as to that.

Your complainants charge, that the said Fidella Bales
 executor as aforesaid, received, and took, into posses-
 sion, all the personal property owned by the said
 testator, amounting to the sum of \$, but what
 disposition he made of the same, your complainants
 do not know - but here call on him to account for the
 same - that he also received a large amount of notes
 & bonds, on which presents the creditors of his testator
 a list of which as shown by an inventory returned
 to the clerks office of said county will also be
 filed with this bill marked E. and is prayed to be
 considered hereunto; but how many, of these or what
 sums collected on them by the said Bales, your
 complainants can not tell, ~~or~~ how many of the same
 he turned over to his successor E. S. Bishop ~~you~~
 they ~~can not tell~~, but call on him now here to
 disclose - But they charge that a considerable
 amount, of these, notes accounts & personal prop-
 erty went into the hands of the ^{said} Bishop adm^r of
 said estate - They now allege that considerable
 amounts here been, paid, to the said agins
 late widow of the said testator, that none has
 been made to your complainants - Your
 complainants, now allege that the said Bales
^{late} Executor, and the said Bishop adm^r &c. have
 failed to perform their duties, as the representatives
 of the said estate, in failing to collect, or
 at least to procure, judgements on the bonds
 in their hands; and in ~~making~~ failing to settle
 their accounts, as fiduciaries, with a court of
 this Honorable court; And further as will be
 seen by an inspection, of said will it ~~appears~~

~~now~~, that certain, lands, were directed, sold, and the proceeds distributed, that ^{the} ~~has~~ not been done, nor the rents and profits for, all of which your complainants, ~~claim~~ to be a violation of their duty. The object of this bill therefore is to obtain a decree of this Court requiring the said Fidelia Boles, former executrix and E. S. Bishop admr. with the will annexed, of the estate Gray & Henderson, to produce before a commissioner of this Court, ~~a statement~~ all, money or money bonds, that have come to their hands belonging to said estate, and show how much each of them ~~bonds~~ collected, & how much they have paid out, and to whom, and under a full & complete account, of the management of their ^{testator's} ~~estate's~~ estate; and that the said admr. be compelled to go on collect monies due, sell the said lands, and distribute the same in accordance, with the decree of the said Circuit Court herein before referred to. Your complainants now state, that the said Henderson, testator as aforesaid - left at his death his brothers & sisters

William Henderson one of your complainants -
 Sarah Campbell, ^{wife of Hawkins Campbell} the female complainant
 Hawkins Campbell who intermarried with the said Sarah Leavina Henderson, who has since died, single & intestate
 Alvin Kestner, sister of the said testator, departed this life before, his death leaving the following children her heirs at law - Martha, who has intermarried, with Melbourn Austin, Gorret Kestner Clinton Kestner & Neil Kestner, Archelus Kestner & Thomas Kestner -

a Langham, sister of the said testator and
 next, see the said decree. The com-
 plaints, cannot, say whether the said ~~Langham~~
 Langham, was dead at the time of the marriage
 of the said Agnes & Stephen Thompson or not
 but they will in due time, exhibit proper
 proof thereof.

Your ^{orators} prayer therefore is that
 the aforesaid Martha overton late Kestner, Melborn
 Kestner, Gorrell Kestner, Clinton Kestner, Neil
 Kestner, Thomas Kestner Archelous Kestner & Caroline
~~Langham~~ ^{Cornelia Langham, Elizabeth Langham, John D. Langham, Martha Langham}

Garrett Kestnor, Clinton Kestnor, Cornelia Sanham, Eliza-
beth Sanham, John H. Sanham, and Martha Sanham, infant
heirs of dec'd, by John B. West, their Guard-

are of tender years, and therefore incompetent to understand
their legal rights, and for protection therein throw themselves
upon this Honorable Court - the proper Guardian of infants.

in the Bill are true, but relies upon this Court for protection
of these infants in all their legal rights. And, having
answered as fully as seems necessary, prays to be hence

Report

To the Honorable Henry L. Morgan Judge of the County
Court of the Lee County in chancery sitting.

Pursuant to a decree of this Honorable Court,
rendered at the November term 1870, in the above named
case, and agreeable to the principles of said decree it was ordered
among other things, and decreed, that the said Commissioner
after notifying Sidella H. Bales late executor of Bray S.
Henderson deceased, and Elijah S. Bishop administrator de
bonis non with the will annexed, and all the adult resident
defendants, and the counsel of the plaintiffs proceed to state,
settle and adjust the account of Sidella H. Bales late ex-
ecutor of Bray S. Henderson deceased your Commissioner under
and pursuant a notice in the Court Room door of said County
in the 10 day of August 1871 stating therein that the said
account of Sidella H. Bales was then before me for settlement
and on the 12th day of September 1871 I proceeded to take
state and adjust the same as of the date of July 19th 1866
and from thence on in annual statements up to July 19th 1871
and by reference thereto it appears, that the said Sidella H.
Bales late executor is indebted to said decedent's estate the
principal sum of \$63.89 and \$26.35 of interest, which includes
the rents received by said executor for the years 1863, 1864 & 1865
and interest due thereon, sum total principal and interest
to \$90.24, which a decree should be rendered and execution
issued against said executor for that sum, reference to said ex-
ecutor account will more fully appear, marked (A), which closes
the account and business of said executor so far as he is concerned.

The next in order was, that the said Commissioner should proceed to take state, and settle the Administration account of Elijah. S. Bishop, administrator de bonis non with the will annexed of the Estate of Gray. S. Henderson deceased, and agreeably to said order and decree, your Commissioner posted a notice in the Court House door of said County - on the 10th day of August - 1871, stating therein, that the said account of Elijah. S. Bishop administrator was before me for settlement, and on the 12th day of September 1871, I proceeded to take state, and adjust the same as of the date of July 19th 1867, and from thence on in an exact statement up to July 19th 1871, and it will appear by reference to his administration account, of the date of July 10th 1866 there was due to the heirs and distributees of Gray. S. Henderson estate the principal sum of \$3368.28 and \$928.59 interest on notes and bonds placed in his hands by said Heir H. Bates late executor, upon which I made a loan of \$1000 annually thereafter allowing him all proper interest and charging said administrator for interest due on all sums unaccounted for up to July 19th 1871. I also ascertained the rents collected by said administrator included in said administrator account, I also made an account current of the rents received for the year 1867. 1868. 1869. & 1870 amounting to \$206.92 per Ex (P), which is charged to him in his administrator account; by reference to said account there was in the said administrator hands unaccounted for ending July 19th 1871 the principal sum of \$1714.00 and \$1925.13 interest, making total principal and interest of \$3639.13 due the Heirs and distributees of Gray. S. Henderson deceased, reference had to be made to said account with more fully appear, which closes the 1st principle of said decree. The next in order was, that the said Commissioner should prepare a separate statement in his account

showing clearly how much had been paid to each of the legatees mentioned in Ex (D) filed with said bill, it will appear that Eging. R. Thompson late Eging. R. Henderson widow of Gray. S. Henderson deceased had received the principal sum of \$1075.00 and interest thereon amounting to \$284.25 total principal and interest, to \$1359.25, and to Eging. M. Candence through her attorney Jas. M. Thompson \$745.00 reference thereto had to Ex (P) will more fully appear which closes the 2^d principle of said decree. The next in order was, that the said Commissioner should prepare a statement in his account showing the debts due said Henderson estate, that are solvent, and yet owing Ex (D) will show all said debts in full amounting to \$3368.28 principal, and \$928.59 interest up to July 10th 1866 of which debts are all solvent and will be collected in due time, and that none have been lost by improper management of the said executor and administrator, as your Honor is fully aware of the difficulties in the collection of old debts since the close of the war, and by reference to Elijah. S. Bishop's Administration account it will be shown what is due for each year up to closing of said account, July 19th 1871, which closes the 3^d principle of said decree. The next in order was, that said Commissioner will also show specifically, how much has been paid to Eging. R. Thompson formerly Eging. R. Henderson late widow of Gray. S. Henderson deceased by reference to Ex (P) will show the sums received by her principal and interest, and it does not appear, that any of the heirs and distributees have received any thing except Eging. M. Candence through her attorney, which said exhibit will show the amount, said Candence receiving which closes the 4th principle of said decree. The next in order was, that E. S. Bishop should sell the lands of the decedent in a credit of 1-2-3 years -

and the result of said sale the land was sold for the
 sum of \$1005.00 agreeable to the order of said decree
 in January 1891. which closes the 5th principle of said
 decree and all matters pertaining thereto.

To the Honorable John A. Kelly Judge of Lee County ^{Circuit} Court.

The undersigned special Commissioner who was directed by a decree of your Honor rendered at the August term 1874, in the Chancery cause of Wm H Henderson et als vs E. S. Bishop Admr of the Estate of G. G. Henderson decd et als, to state, take and settle the account of said Bishop as Admr of said estate, and to show how much he had received on the sales of the land of the decedent, how much from all other sources, and how much he had disbursed & to whom, respectfully reports; That after giving notice to said Admr, I proceeded on the 8th day of March 1876 to perform the duties assigned me, By a decree rendered in said cause at the November term 1870, David Miller was appointed a special Commissioner, and among other things was directed to state and settle the administration account of said Bishop and did make said settlement up to the 19th day of July 1876. and which settlement and report was confirmed by the Court, But you commr has made a statement of said account

from the beginning of said administration up to the 19th day of March 1876, including the period stated by said Miller Comr., and has charged the Admr with the amount of a list of notes received by him from Fidelity H Bales late Executor of the Estate of said O. G. Henderson dec'd See Exhibit "O" with said Millers report here made a part of this report, and interest thereon, and interest on the annual balances of principal money in his hands, as shown by the annual statements in the foregoing account made as of July 19th 1867, 1868, 1869, & 1870^{1871, 1872, 1873, 1874, 1875, 1876}, and in the annual statement made as of July 19th 1871, with the sum of \$1005.00 the sum for which he sold the said decedents land on the 16th day of January 1871, See said Admr's report of sale filed in said Cause. And I have given the Admr Credit for disbursements made by him in payment of debts & in way of distribution, vouching for all of which are herewith filed numbered as in the margin from 1 to 35 inclusive, and for 7 1/2 per cent Commission on his said disbursements, except as to the \$1005.00 received for the sale of the decedents land, and as to that ^{sum} I have allowed the Admr 5 per cent on the first \$3000.00 & two per cent on the residue, The said sum of \$1005.00 the amount for which the land sold, has all been collected by the Admr, and he has collected a considerable portion of the debts that came into his hands, but the Admr could not furnish me with a correct and complete statement of what he had collected upon said debts, consequently I do not see how I can show exactly how much he has received, but the foregoing statement ^{of his acct} will show how much he has disbursed, and to whom; and I have prepared a statement herewith filed marked "L" showing what debts or parts of debts he has collected, but as the dates at which ^{all of} said debts were received are not given, and were not kept by the Admr, this will not show with certainty how much he

has received, and whether he has received more than
he has disbursed but will give some idea how that is,
and from the best information I can get, I am of opinion
that the Admr has disbursed ^{nearly} as much ~~or nearly so~~ as
he has received, ^{or there may be in his hands some five or six hundred dollars} The foregoing statement of said Admr's
account shows a balance of \$3510.62 principal and interest
unaccounted for on the 19th day of March 1876, which en-
braces the list of notes charged to him as before stated, some of
which, and part of others, are yet uncollected and in process
of litigation in your Honor's Court. Respectfully submitted,
